May 1, 2008

Dear

This letter of encouragement is being sent in the hopes that you can help me fulfill my vision of becoming a Dunwoody Wildcat football player.

All players are required to make a \$300.00 financial contribution to cover all expenses for the 2008-2009 season. These expenses include: a three day sleepover camp where all meals and snacks are provided, meals prior to each game, and a polo shirt and dress pants that are required dress on game days. This money also supplements additional coaches who provide individual attention and funds the upgrade of equipments and uniforms.

Without your support, neither our program nor I can be successful. I am sending ten of these letters to friends and relative hoping for a \$30.00 donation from each individual. Any amount over the requested \$30.00 will be greatly appreciated and put to good use by our program. The money you contribute will alleviate and reduce my yearly payment.

Please return this letter in the stamped envelope provided with a check or money order made out to: Dunwoody Gridiron Club. Please write my name in the memo section of your check. Thank you for your support, and I invite you to attend our games. Schedules for all levels are located under football at <http://dunwoodywildcatfootball.net/>.

Sincerely,

DHS Wildcat Football

Player name that contribution is being made to: _____

First and Last name of individual contributing: _____

Amount contributing: _____
